

Meta.02

Sieger Design

Meta.02

Of reduced shape and volume, but with no restrictions with regard to operation.

A broad range of single lever basin mixers with different projections, matching basins in any size.

Two-hole single-lever mixers ensure an individual design in the washing area by **separating the mixer and its spout**.

Fittings **featuring a raised stand tube with various heights and spouts** matching the various add-on washbasins.

Wall-mounted single-lever mixers for washbasins and showers with various wall-mounted units for diverse applications and personalized washbasin and bathroom design.

The range is enhanced with puristic single-lever bath and shower mixers for wall mounting with bar-type hand shower and cylindrical shower connection, and xStream concealed single-lever mixers for bath and shower as well.
