

MEISTERSTÜCK OYO DUO

- An unprecedented Egg Shape design made of sustainable steel enamel by means of the highest German engineering skills
- a graceful design sculpture that integrates harmoniously into the bathroom space, flowing and almost seeming to float
- inspired by Japanese porcelain design: the double-walled product impresses with its minimal organic lines and elegant functionality
- the inner shape offers maximum lying comfort, even for two people, with two identical backrests and a central waste
- available in numerous colours of the Coordinated Colours Collection
- Installation information: The free space under the bathtub enables installation without a screed recess for lowering the waste fitting
